Units in the ASA Diversified Property Fund ARSN 106 724 038 (Fund) are issued by ASA Funds Management Limited ABN 58 079 538 499 (AFML). AFS Licence No 234455 as responsible entity which has prepared this document. AFML's financial services guide is available at www.asarep dpf or by calling us on the number below for a hard copy. You should read the FSG before deciding whether to obtain any financial services (including by investing in the fund) from us.

Information in this document is current as at 30 June 2024 (unless otherwise indicated) and is for general purposes only. Nothing in this document should be taken as general or specific financial advice, and this document has been prepared without taking account of any person's individual investment objectives, financial situation or particular needs.

Any investment, including an investment in the Fund, is subject to risk. If a risk eventuates, it may result in reduced distributions and/or a loss of some or all of the capital value of your investment. See the PDS for examples of key risks. Past performance is not a reliable indicator of future performance. Forward-looking statements in this flyer are provided as a general guide only. Capital growth, distributions and tax consequences cannot be guaranteed. Forward-looking statements and the performance of the Fund are subject to the risks and assumptions set out in the PDS.

The information in this document does not purport to contain all information necessary for making an investment decision. In deciding whether to acquire, hold or dispose of units in the Fund you should obtain a copy of the current Product Disclosure Statement (PDS) and Target Market Determination (TMD) and consider whether the product is appropriate for you having regard to your objectives, financial situation and needs and seek appropriate professional financial and taxation advice before making any such decision. The PDS, AID and TMD for the Fund are available at www.asarep.com dpf or by calling us on the number below. Past performance is not a reliable indicator of future performance. Investment decisions should not be made upon the basis of the Fund's past performance or distribution rate (if any), or any ratings given by a rating agency, since each of these can vary. In addition, ratings need to be understood in the context of the full report issued by the rating agency itself. This document is current at the time of publishing. This information is intended for recipients in Australia only. Not to be reproduced without permission.
